

Arches

Generated on 02.10.2017

Detailed description

Standard cast stone arches are ideal for any project, tastefully adding aesthetic appeal. In addition, bespoke entrance arches can be manufactured, based on architects' specifications. For renovation projects, replicating an existing natural stone arch with a cast stone arch is straightforward and accurate colour matching can be ensured. Procter Cast Stone provide standard cast stone arches, and will also produce cast stone arches in any design.

Options

Type:

A wide range of sizes and designs are available - consult manufacturer and insert requirements.
