

Pro-vario Fencing

PCD20

Pro-vario mesh fencing is a high quality system in the style of industry-standard Paladin fencing. It has the strength and durability of our Pro-mesh system, but with added visual appeal from a vertical banded pattern. Cost-effective for medium security levels and available in 1.2m and 3m heights. Posts are hollow steel tube, with panels manufactured from galvanised steel and polyester powder coated in a standard green RAL 6005. Non-standard colour is also available.

Matching Swing Gates or Sliding Gates can be supplied.

Applications

Utilities	
Boundary Demarcation	
Perimeter - medium security	
Schools	
Warehousing	
Industrial Units
