Cash Tray (PB01)

Cash Tray (PB01)

Introduction

Safetell supplies a number of Cash Tray / Cash Can products for Cashiers to store their cash float.

The PB01 Cash Tray is plastic construction with two lid locks to the case front corners and tab seal to lid rear.

They are of a rugged, high quality design and suitable for heavy commercial use.

As standard the case is configured with note slots and coin holders.

Safetell is a NACOSS Gold accredited company.
