

# Black & Yellow Barrier 60mm Diameter Black & Yellow

The AUTOPA range of Black & Yellow products are ideal for providing High Visibility protection in both internal and external warehousing environments. All products in the range are galvanised mild steel, ensuring their longevity and are designed to take the knocks and bumps that occur in all warehouses.

This Hooped Barrier is made with 60mm diameter galvanised steel tube, coated yellow with black reflective contrasting bands. Available in heights of 300mm, and in three widths, either 1,000mm, 1,500mm or 2,000mm wide.

The 1000mm above ground variants can be supplied with an additional horizontal rail.

Part Number	Description (HxL)
138 177 860	300 x 1000, Concrete in
138 177 861	300 x 1000, Bolt down
138 177 862	300 x 1500 Concrete in
138 177 863	300 x 1500, Bolt down
138 177 864	300 x 2000, Concrete in
138 177 865	300 x 2000, Bolt down
138 100 994	M12 Expanding Bolt (6 required per barrier)
