

Black and Yellow Hooped Barrier 76mm Diameter Black & Yellow

The AUTOPA range of Black & Yellow products are ideal for providing High Visibility protection in both internal and external warehousing environments. All products in the range are galvanised mild steel, ensuring their longevity and are designed to take the knocks and bumps that occur in all warehouses.

This Heavy Duty Hooped Barrier is made with 76mm diameter galvanised steel tube, coated yellow with black reflective contrasting bands. Available in two heights, either 500mm or 1,000mm above ground, and in three widths, either 1,000mm, 1,500mm or 2,000mm wide.

The 1000mm above ground variants can be supplied with an additional horizontal rail.

<u>Part Number</u>	<u>Description (HxL)</u>
138 177 880	500 x 1000, Concrete in
138 177 881	500 x 1500, Concrete in
