Light Grey

Standard Grey

Dark Brown

Charcoal

Light Sandstone

Sandstone

Brick Red

White

The colours shown above are indicative. Please note colour variations can be expected due to the porosity of the brick, finishing techniques, mixing procedures and weather conditions (temperature, humidity and wind) at time of application.

- Europoint is pre-prepared mortar; just add water and mix.
- Specially formulated by Eurobrick, for application by gun or grout bag injection.
- Suitable for pointing brick and stone slip cladding and repointing traditional brickwork.
- Supplied in 25kg bags.
- Pointing bags, tips and guns available.
- Lime mortar is a natural lime based product suitable for historic renovation projects.
- Available in the 8 standard colours shown above.
- Other colours can be made subject to minimum order.
