Softwood Lumber and Value-added Softwood Manufacturers. 11

DIRECTORY OF **QWEB** MEMBERS

The Manufacturers Directory lists corporate members of the Quebec Wood Export Bureau (QWEB) that are involved in exporting Quebec wood products overseas. The Directory provides the address of QWEB's head office and overseas branches, as well as a company index. The directory is also available for on-line consultation at **quebecwoodexport.com**.

Your gateway to wood products from Quebec

The Quebec Wood Export Bureau (QWEB) is a non-profit organisation showcasing wood products from Quebec in export markets. Representing more than 125 manufacturers in different sectors, QWEB provides you with direct access to Quebec's vast array of wood products.

■ Softwood Lumber

■ Hardwood
Lumber

■ Wood
Construction

■ Hardwood
Flooring

■ Wood Pellets

What QWEB can do for you

Connect you with suppliers that have the wood products you need at competitive prices.

Provide technical and promotional information about wood products and the companies that manufacture them.

Provide information about the characteristics and uses of wood products from Quebec.

Provide information about the codes and standards that apply to wood products from Quebec.

Send your product inquiries to our members
info@quebecwoodexport.com

Link you to our members through our Web site
quebecwoodexport.com

Inform you via our social medias
