

## Technical Data – Mossclean

(90.41) E (G)

### PRODUCT DESCRIPTION

**Mossclean** is a strong cleaning solution that kills moss, algae and lichen. It can be used neat or diluted.

### PURPOSE

**Mossclean** is designed for fast and efficient removal of moss, algae, lichen spots and stains from your paving. It can be used on many surfaces including natural stone, imprinted concrete and block paving.

### SPECIAL PROPERTIES

- Assist in the removal of lichen, algae and moss
- Safe to use on many surfaces including block paving natural stone and imprinted concrete
- Powerful cleaning
- Helps inhibit moss, algae and lichen

### APPLICATION INSTRUCTIONS

Before application heavily saturate the run off areas such as flower beds and lawns with water. Mossclean should be applied with a sprayer or a watering can then spread evenly with a soft broom or similar. Agitating some tougher areas can assist in the cleaning process. Leave for 30 minutes before washing off with copious amounts of water. Heavily diluted product will not harm plants but care should be taken to ensure wash-off area does not enter a pond or similar. **Mossclean** should be applied in dry weather when inclement weather is not forecast.

### PREPARATION INSTRUCTIONS

Coverage will vary considerably, depending on the infestation and/or dilution rates. Deep clean – used neat, 1 litre per 3m<sup>2</sup> of affected area should be adequate for all but the most extreme situations. Ongoing maintenance – Diluted at 1 part Mossclean to 10 parts water.

27-1-2021

### SPECIFICATION CLAUSE

"The substrate shall be treated with **Mossclean** from **PICS** (Tel. 01635 202224) to kill moss algae and lichen. All materials should comply to ISO9001 for Quality Assurance. All work should be carried out in conjunction with the manufacturers current technical data sheet and instructions for use".

### HEALTH AND SAFETY

Avoid contact with skin and eyes. Flush affected areas with water. Do not take internally. Harmful to aquatic life. Refer to Health & Safety data sheet for further information.
